Dinory is a learning instrument that serves as a guide for children interested in drawing dinosaurs. It includes dinosaur template rulers that children can use to easily draw outlines of dinosaurs they have only read about in books or seen in museums. Drawing and coloring their favorite dinosaurs is a great way for children to learn more about dinosaurs in vivid detail.

SAFE CUTTING RULER

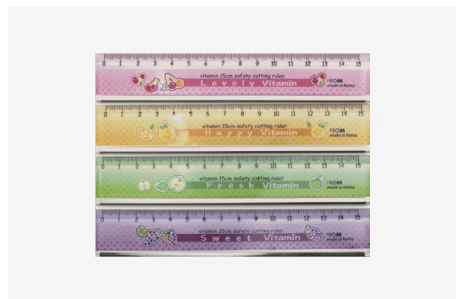

Safe cutting ruler is equipped with stainless steel. It enables you to cut something without hand wound. Stainless steel also protects plastic parts of ruler. This feature make cutting smoothly and easily because the steel prevents cracks made by cutting. When you are annoyed with irregular cutting, this will be a solution.

30, 50cm safety cutting ruler has obvious design to measure a length. The plastic part is transparent and gradations are black. Therefore, it is easy to measure a length of everything.

PROM CUTTING KIT

CUTTING MAT

PROM PP(Polypropylene) Cutting Matte is made from Polypropylene instead of PVC(Polyvinyl chloride) which contain high plasticizer causing disease. Therefore, this product is nontoxic and harmless.

Our Cutting Matte is also very differentiated from other products because it has gorgeous design. It has 3 colors which are white, green and orange. And it's sizes are A1, A2, A3 and A4. This product can change your work room more pleasant.

The function of this product is also good. It has dotted lines per 5mm and straight lines which facilitate easy measurement.

CUTTING RULER

15cm safe cutting ruler is equipped with stainless steel. It enables you to cut something without hand wound. Stainless steel also protects plastic parts of ruler. This feature make cutting smoothly and easily because the steel prevents cracks made by cutting. When you are annoyed with irregular cutting, this will be a solution.

15cm safe cutting ruler has obvious design to measure a length. The plastic part is transparent and gradations are black. Therefore, it is easy to measure a length of everything. In addition to this clear design, It has 4colors which satisfy aesthetic demands. In addition, you can apply various design through electronic-printing.
